

Call for What's New Presentation

You have an opportunity to deliver a 10-minute presentation at the "What's New" program during the 24th Annual IAOM Mideast & Africa District Conference & Expo in Sousse, Tunisia.

The What's New session is designed to address milling innovations and trends. This is a great opportunity to share with other professionals about your company's new products and technology for the benefit of the milling industry.

Presentation Schedule:

The What's New session will be on the **7th November 2013**.

Submission Process:

To be considered for a "What's New" presentation your entry must be received by IAOM presentation organizer no later than **16th August 2013**. To be eligible to present at the conference you must:

- Submit a completed application form and sales/promotional materials of the new product/service.
- Agree to submit a written article (1-2 pages) on your presentation, which will be used for publication purposes.

Submit to

Mr. Mohib Ahmed K - Technical Program Organizer
 (IAOM MEA Education Committee)
