- Induction
- City and Guilds of London Institute Milling course

1979-1982

- Shift Miller
 - Day Miller
 - Head Miller
- Trained with machinery supplier-Henry Simon, in the UK

1983-1986

- Mill Manager
- Trained with machinery supplier-Buhler in Switzerland

1987-1989

Full time Bachelors degree student for Milling Science and Management

1990-1991

Production Manager

1992-1994

- Branch Manager

1995-2000

- Technical Manager/Production Manager

2000-2009

- Plant Manager
- New products and processes studied- extrusion, pulses, Bulgur, Oats(plant design)

2009-Current

General Manager-New Projects

My Enablers

- Employers with structured training programs and supportive mentors
 - Utilizing Support to the Industry by government training agencies
- Incremental training to support performance of new responsibilities
 - Curiosity for knowledge and acknowledging need for training

- Working in teams and supporting one another
- Training others to assume my responsibilities
 - Sharing knowledge and experiences

How can you contribute?

- Invest in training- as an organisation or individual
 - Mentor others
- Share knowledge and experiences

THANK YOU!!
