# *The Classic Style CC-HD*

## *The Classic Style CC-HD (Heavy Duty) Elevator Bucket*

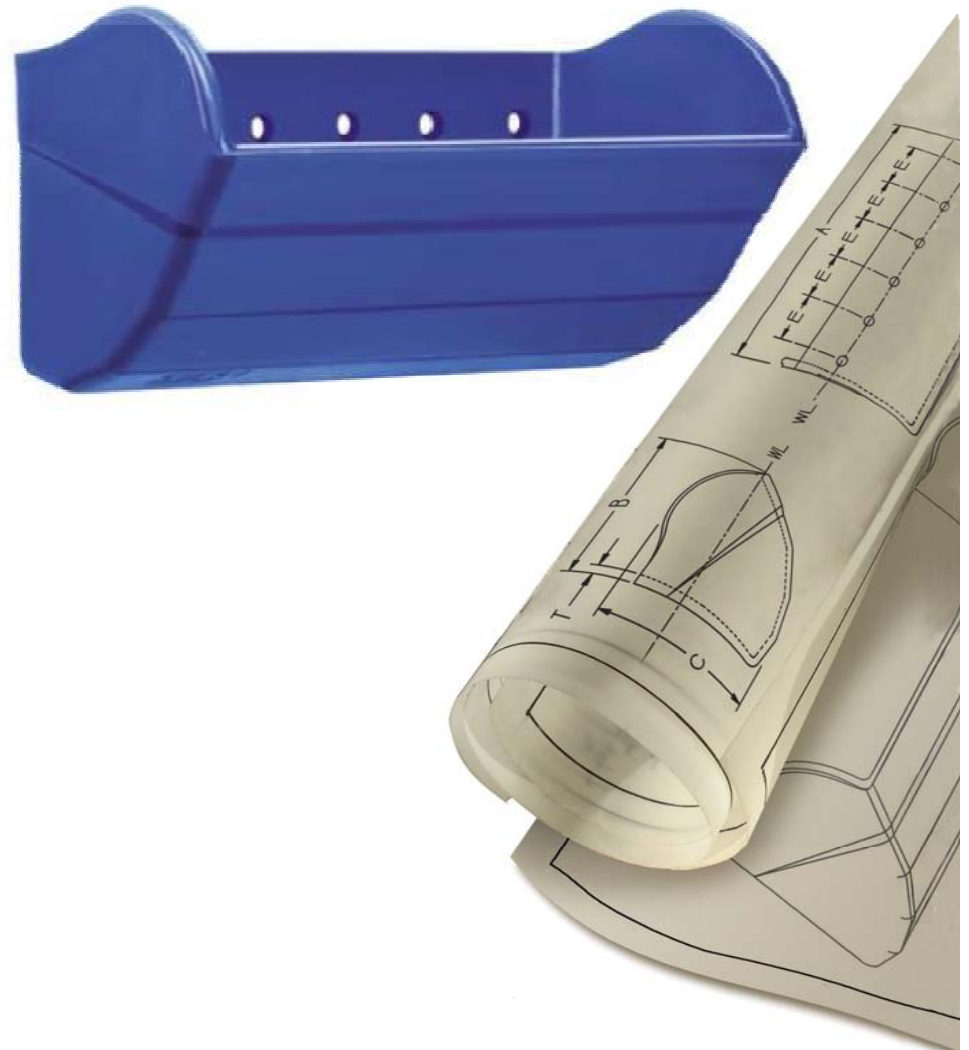

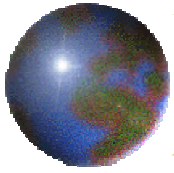

- Most popular style in North America since 1938.
- Straight sides for a more compact discharge pattern.
- Works over a wide range of belt speeds and pulley diameters.

## *The New CC-XD (Xtreme Duty) Elevator Bucket*

- ✚ Thickest and Most Durable Plastic Bucket.
- ✚ Same Proven Geometry as CC-HD.
- ✚ 35 % more resin throughout the entire bucket, not just at the critical wear points.

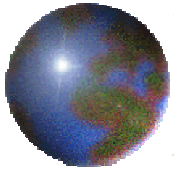

## *The New CC-XD (Xtreme Duty) Elevator Bucket*

- ✚ Maintains classic CC design. Straight sides and high ends aid in filling and discharging the grain.

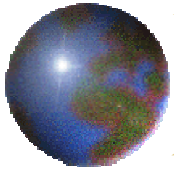

## *The New CC-XD (Xtreme Duty) Elevator Bucket*

- ✚ Longer life and exceptional strength.
- ✚ Runs at same speeds as Classic CC-HD buckets.
- ✚ No modifications to elevator needed.

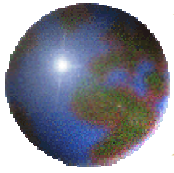

## *The New CC-XD (Xtreme Duty) Elevator Bucket*

- ❖ Discharge and capacity are exactly the same as the popular CC-HD, Allowing a direct interchange with Tapco CC-HD Line.

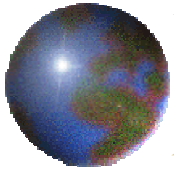

## *The New CC-XD (Xtreme Duty) Elevator Bucket*

- Smooth rounded front lip and sides are easy on the products.
- 14 sizes: 12"x7" to 20"x10".
